

B.S. in Health Science (120 Credits)					
2023-2024					
Foundational Core (34 Credits)	Semester	Grade	Health Science Major (59 Credits)	Semester	Grade
FS 189 First Year Seminar (1)			BI 101 General Biology I (3)		
Communication & Media Studies (3)			BI 101L General Biology I Lab (1)		
CO 230 or DR 202, 203, 204, 205			BI 102 General Biology II (3)		
Computer Science (3)			BI 102L General Biology II Lab (1)		
CS 115, CS 125, or CS 195* (*requires MA 130 or higher)			BI 207 Physiology (3)		
Fine Arts (3)			BI 207L Physiology Lab (1)		
AH or AR or MU (See Catalog) or AT 230			BI 208 Anatomy (3)		
Social Science (6)			BI 208L Anatomy Lab (1)		
AN 225 or SO 101 or PS 101 or PO 125 or BU 101 or SJ 110			CH 111 General Chemistry I (3)		
AN 225 or SO 101 or PS 101 or PO 125 or BU 101 or SJ 110			CH 111L General Chemistry I Lab (1)		
History (3)			CH 112 General Chemistry II (3)		
HI 101, HI 102, HI 203, HI 204, HI 210, HI 211 or HI 220			CH 112L General Chemistry II Lab (1)		
Modern Language (3)			HS 342 Health Science Seminar (1)		
SP or IT or AS or FR			HS 489 Healthcare Internship (3)		
PH 102 Introduction to Philosophy (3)			MA 130 Foundations of Analysis I (3)		
TH 102 Introduction to Christian Theology (3)			MA 131 Foundations of Analysis II (3)		
Writing & English (6)			BU 213 Intro. to Healthcare Administration (3)		
EN 111 College Writing or EN 320 Writing Power (by placement)			PS 335 Health Psychology (3)		
EN XXX (Literature)			SO 334 Sociology of Medicine (3)		
2nd Writing Intensive			16 credits of Major Electives from at least 2 Clusters (See Four Year Plan)		
Enriched Core (9 Credits)					
Catholic & Dominican Tradition					
Global Awareness & Cultural Understanding					
Ethical Inquiry & Application					
			Free Electives (18 Credits)
